Variances

If the Office of Planning and Development (OPD) determines your submitted site plan requires Board of Adjustment (BOA) action on a particular standard of the Unified Development Code, this application will not be heard by the Land Use Control Board (LUCB) until an application is submitted to the BOA. Once a BOA application is received by OPD, OPD will proceed to send any public notices, including neighborhood meeting notification, for the next available LUCB meeting. Notices will not be sent out prior to a BOA application being received. All neighborhood notification and public notices shall meet the timing provided in Sections 9.3.2 and 9.3.4 of the UDC. In lieu of a BOA application being filed, this application for a Special Use Permit may be replaced with an application for a Planned Development within 14 days of the filing deadline for this application, unless the site is located within the Medical Overlay District (see Sec. 8.2.2D of the UDC). If neither a Board of Adjustment nor a Planned Development application is received within 90 days of the filing deadline for this application, then this application shall be considered defective and withdrawn from any future consideration by the Land Use Control Board.

After consultation with an OPD staff member and obtaining his/her signature on the application a full application may be submitted.

GUIDE FOR SUBMITTING PRELIMINARY MAJOR SUBDIVISION PLAN APPROVAL

A. **THE APPLICATION** - Two (2) collated sets of this application in accordance with the requirements of the Unified Development Code and as outlined below shall be submitted to OPD. The following information is required to be submitted for consideration as a complete application, and except for copies of the Outline and/or Site/Concept Plan, shall be provided on sheets of 8.5"x11" in size. The application with original signatures shall be completed either with legible print or typewritten. Each application set shall be compiled in the following order:

- 1) This application, 8.5"x11" Outline and/or Site/Concept Plan, Legal Description, Vicinity Map, 2-3 sets of gummed-backed Mailing Labels, 2 sets of paper copied Mailing Labels, Letter of Intent, 20"x24" Outline and/or Site/Concept Plan (folded), copy of Deed(s).
- 2) A compact disc with all submittal documents in "PDF" and any proposed conditions in "WORD".

(For additional information concerning these requirements contact Land Use Control Section at (901) 576-6601.)

B. **VICINITY MAP**

Two (2) copies showing the subject property (boldly outlined) and all parcels within a 500' radius. If the 500' radius includes less than 25 property owners, the radius shall be extended at 100' intervals to reach a minimum of 25 property owners provided, however, that the maximum total radius is 1,500'. Show for each parcel its dimensions, owner's name (on the vicinity map unless prior approval is given to do otherwise) and the public streets, alleys or private drives that it abuts. In situations where the parcels on the map are so small that the property owner's names are unable to fit and numbered legend is used, every effort should be made to place the legend on the map itself and not a separate sheet.

C. **LIST OF NAMES AND ADDRESSES**

- 1) Two (2) complete lists of names and mailing addresses, including zip codes, of all adjacent property owners of the subject site, typewritten on 1"x 2^{5/8}" self-adhesive mailing labels and 2 paper sets.
- 2) Two (2) self-adhesive mailing labels (1"x 2^{5/8}") each for the owner of record, applicant, representative and/or engineer/surveyor.

D. **FILING FEES** *(All Fees Are Subject To Change without Prior Notice)*

- 1) Submit a non-refundable check or money order in the amount of \$400.00 + \$30.00 per lot. Make check payable to "M/SC Office of Planning and Development"
